

No. F.3(317)/Tariff/DERC/2011-12/4029

Dated: 18.11.2011

**In the Matter of: Nomination of "State Agency" for
Accreditation and Recommending the
Renewable Energy Projects in the National
Capital Territory of Delhi**

The Central Electricity Regulatory Commission has notified the Central Electricity Regulatory Commission (Terms and Conditions for recognition and issuance of Renewable Energy Certificate for Renewable Energy Generation) Regulations, 2010 on January 14, 2010. These regulations provide for designation of a State Agency by the State Electricity Regulatory Commission, to act as agency for accreditation and recommending the Renewable Energy Projects of the State for registration. Therefore, Delhi Electricity Regulatory Commission hereby designates the Energy Efficiency & Renewal Energy Management Centre (EE&REM Centre), Department of Environment, Govt. of Delhi, as the "State Agency" for the purpose of regulation 2(1)(n) of these regulations to act as the agency for accreditation and recommending the renewable energy projects for registration.

The functions of the State Agency shall be as mentioned in the annexure to the order, which shall stand automatically modified in accordance with notification of the relevant regulations by this Commission.

In case the Commission observes that the State Agency is not able to discharge its functions satisfactorily, it may by an order, and by recording reasons in writing, designate any other agency in its place to function as State Agency as it considers appropriate.

Encl.: As above

By Order of the Commission

Annexure

Functions of State Agency

1. The State Agency shall function in accordance with the directions issued by the Commission and shall act in accordance with the provisions the Central Electricity Regulatory Commission (Terms and Conditions for recognition and issuance of Renewable Energy Certificate for Renewable Energy Generation) Regulations, 2010.
2. The State Agency shall develop suitable protocol for collection of information from various sources such as renewable energy generating companies, obligated entities, SLDC, chief electrical inspector etc., on regular basis and compile such information to compute the compliance of RPO target by such Obligated Entities.
3. The summary statement of RE procurement and RPO compliance by different Obligated Entities shall be published by the State Agency on cumulative basis quarterly by 15th of next month after end of quarter on its website.
4. The State Agency shall submit quarterly status by 15th of next month after end of quarter to the Commission in respect of compliance of renewable purchase obligation by the obligated entities in the format as stipulated by the Commission and may suggest appropriate action to the Commission, if required, for compliance of the renewable purchase obligation.
