Declaration Form

Declaration *

I/We hereby also confirm that the electricity generated from the proposed renewable energy generating station shall be sold either to the distribution licensee at the pooled cost of power purchase of such distribution licensee as determined by the Appropriate Commission or to any other trading licensee or to an open access consumer at a mutually agreed price, or through power exchange. Further, the Power sold shall not be utilised by the buyer to offset its RPO.

OR

The proposed renewable energy generating station is a CGP and the energy generated from the renewable energy generating station is utilised for self consumption or wheeling the power for captive/group captive use.

INDEMNIFICATION

The Renewable Energy generator shall keep each of the NLDC/SLDC/SA indemnified at all times and shall undertake to indemnify, defend and save the NLDC/SLDC/SA harmless from any and all damages, losses, claims and actions, including those relating to injury to or death of any person or damage to property, demands, suits, recoveries, costs and expenses, court costs, attorney fees, and all other obligations by or to third parties, arising out of or resulting from the Accreditation/Registration/Issuance /Trading under REC mechanism.

The Renewable Energy generator shall keep State Agency indemnified at all times and shall undertake to indemnify, defend and save the State Agency harmless from any and all damages, losses, claims and actions, arising out of disputes with Central Agency and SLDC, as well as with Power Exchange(s), inclusive of confidentiality issues.

Date : _____ Signature of the applicant : _____
Place : _____ (Seal of the Company)

Note * : RE Generator has a declaration above

The screenshot shows the RECI website interface, similar to the previous one. The 'Capacity Modify' tab is selected. Below the navigation menu, there are two sections: 'State Nodal Agency Details' and 'State Load Dispatch Centre Details'. The 'State Nodal Agency Details' section shows 'Name: Sh. S.K.Baswal' and 'Address: 0, - 0'. The 'State Load Dispatch Centre Details' section shows 'SLDC Name: ...'. To the right of these sections is a 'Pending' tab with sub-tabs: Verified, Approved, Rejected. The 'Verified' sub-tab is selected, and it shows a 'Pending List of Capacity Modification'.
